Harper, I hope you received my voice mail. I have talked with appropriate staff and would like to have them participate in the call; they are not available until Monday morning. Does this work for you and Ted? Thanks.

Hi Rudy,

Our office was copied on a letter from the town of Ferrisburgh to the EPA, in which the town turns FY 09 and FY 10 Special Appropriations Act Project grants for water supply upgrades/water infrastructure improvements. I've attached a copy of the letter.

Would it be possible for Ted and I to schedule a phone call with you Friday to discuss the earmarks?

Thanks,  
Harper
